JUNE 2021

SUNDAY JUNE 6

Worship returns to sanctuary, although live-stream services will continue

WGCC congregational meeting, live or on Zoom.

Both WGCC and MBCC plan to return to worship in their sanctuaries on Sunday, June 6. WGCC worship will begin at 10:30 a.m. Worshippers are asked to wear masks, to sit near only people who are in their COVID "bubble," and to sit distanced from others.

WGCC/MBCC Sunday morning worship services will continue to be live-streamed on Facebook every Sunday morning at 10:30 a.m.

All are welcome--please invite your family and friends to tune in! The video will also premiere on YouTube at 1:00 p.m. each Sunday.

WGCC's Annual Congregational Meeting will be Sunday, June 6, 2021, following worship (approx. 11:40 a.m.).

Members not present on site will be able to attend via Zoom. We will vote on our mission and ministry plan for 2021-2022, elect new Board members, hear a report on the ongoing partnership with MBCC, and discuss building use and ongoing Covid precautions.

You may vote in advance by emailing your votes to the church office at admin@wgcc.org by noon on Thursday, June 3.

What does 4,760 mean in your fruit basket?

Numbers can sometimes be a bit startling.

When WGCC provides fruit for the NOW families, we give two pieces of fruit for each person.

This year there are 59 people in the NOW program, totaling 119 pieces of fruit each week.

Probably 12 weeks out of the year the weekly fruit is a large melon, containers of berries or a pineapple - not separate pieces of fruit.

That leaves 40 weeks of oranges, apples, pears, peaches and bananas.

Multiply 40 weeks times 119 pieces of fruit and that is 4,760!

Four thousand seven hundred sixty pieces of fruit plus the 12 weeks of larger fruit!!

That is a healthy startling bit of giving!

A big juicy fruity THANKS to the WGCC groups who donate for the fruit!

A special thanks from Cooper House

Many thanks to Webster Groves Christian Church, Memorial Boulevard Christian Church, Centennial Christian Church (Disciples of Christ) St. Louis, New Hope Community Christian Church, & Union Avenue Christian Church.

These amazing volunteers hosted an outdoor BBQ lunch for Cooper House residents and staff. It was a great event and we are so thankful for such great friends!

Disciples Women meet the challenge

Though May was the final meeting for the Disciples Women as usual with no General Meeting in June, July and August, the small groups will still meet in June. The Tabitha group met on the church grounds with eight attending. Tabitha will meet in June at a local restaurant, to be announced later, and will start meeting on the second Thursday of each month instead of the third. The June meeting will be on the 10th at 6:30 pm. The Martha Group will have an indoor picnic on the 10th at noon.

Members of the Tabitha group meet on the church grounds.

Details of that picnic will be announced soon. There will be a devotional, offering and fellowship at that picnic.

A Disciples Women Board meeting will be held in July to set the budget. The date will be finalized and announced sometime soon.

Janie Joplin and Pat Roseman have done an excellent job this year with DW Service Projects. Following is their recent report:

"The faithful contribution of our members to Disciple Women service projects is something of which we can all be proud.

"The month of May will conclude our service for the 2020-2021. A challenging year for all of us in many, many ways. Each month, we successfully met the challenge with our giving response reaching out to those in need. Our May giving is probably one of the most generous this year. The detergent project for Webster-Rock Hill Ministries totaled an estimated \$300. Janie and I debated where to find the best detergent for our bucks. We consulted Jennifer, Janie's daughter, who uses an Aldi product. She assured us we couldn't find a better buy. So, Disciple's Women purchased 40/100 ounce bottles of liquid detergent for Webster-Rock Hill Ministries

"Thank you, ladies and thanks to Jennifer! And save those pennies and dollars for our 2021-22 service." - Janie and Pat

Again, our appreciation to not only Pat and Janie, but to all those who so faithfully contributed all year long to our service projects.

We are most grateful for the officers and committee chairs of our organization who helped us continue the Bible Studies, cards to shut-in's and those in grief or ill, those who kept our budget balanced, and most of all to our President, Sally Smith, who kept us together working and enjoying fellowship on Zoom during this pandemic.

As we close this year of Disciples Women, let us pray the Benediction that we use in each meeting:

God, be Merciful unto us and bless us; And cause your face to shine upon us:

That your way may be known upon the earth, Your saving health among all nations,

Through Jesus Christ our Lord. Amen.

The long road back for a Jeff City Disciples church

On Sunday, May 23, Community Christian Church in Jefferson City celebrated its rededication, two years and one day after it was damaged by a tornado.

During the 2019 tornado, part of the church's roof was peeled back, leading to extensive water damage to the church and requiring more than \$2 million in repairs.

Regional Minister Paul Koch was present at the rededication ceremony and led the unison reading of the Preamble to the Design in celebration of the Disciples covenant connection.

"It's exciting. It's gratifying. I feel really blessed," member Cheryl Carter told the Jefferson City News-Tribune.

Won't you be a neighbor?

The Neighbor Fund is maintained by our church administrator and is used at our pastor's discretion to aid those within our congregation and those from our wider community with one-time emergency assistance.

Our congregational budget includes money for the Neighbor Fund, but the majority of income from the fund comes from generous and faithful designated gifts by WGCC members. In addition to your regular support of our budgeted mission and ministry, please consider a one-time or ongoing gift to the Neighbor Fund.

Contributions should be marked "Neighbor Fund," and will be used to provide assistance, care, and hope to our neighbors.

The Green Team could use your help!

Our grass cutters could use the help of one more volunteer on their rotation this year. We want to keep the same size teams, which would mean teams would mow approximately once a month.

Please let the WGCC Church Office know if you can help!

Some wild times at WGCC

Yes that was a black bear seen frolicking on the grounds of Webster Groves Christian Church earlier in May.

After several sightings around Kirkwood, Oakland and Brentwood, the bear was tranquilized in Richmond Heights and released in a wild area about two hours south of St. Louis.

You can catch a video of the bear roaming our yards on the WGCC Facebook page.
