# **Share your stories!** A Special request from the WGCC Nurture and History Committee

As part of our congregation's transition away from our current home at Lockwood Avenue and into a new and exciting future, the WGCC Nurture and History Committee would like to welcome everyone to contribute to a special project.

Our committee will produce a coffee table-style book and digital collection celebrating the many decades of worship and fellowship that we have all shared in this church.

If you have any images, stories, testimonials, or anything else that you would like preserved in the form of this book and digital collection, please email it to us at <a href="mailto:keiler.swartz@gmail.com">keiler.swartz@gmail.com</a> or mail it to the church office at 1320 W Lockwood Ave, Saint Louis, MO 63122. Thank you in advance for your contributions to the project!

The WGCC Board has formed three committees to do the important work of helping to guide our transition as we prepare for the sale of our building and property. These committees need your help and input! Please contact the church office or Pastor Jeff if you are willing to serve on one of these committees:

**Nurture and History:** This committee will focus upon nurturing the congregation through this time of transition by planning and implementing community building events, suggesting and designing liturgies and worship experiences, and documenting and engaging with the important history of WGCC during our time at 1320 W. Lockwood.

**Building and Grounds Contents:** This committee will be working to decide and implement the disposition of the contents of WGCC's building and grounds as we prepare to leave our building. This committee's important tasks will include inventorying WGCC's building contents (including furniture, supplies, appliances, documents and records, office and audio-video equipment, musical instruments, artwork, etc.); making recommendations for which items will be important to keep for the ongoing mission and ministry of the congregation; and guiding the process of donating, selling, or discarding items that the congregation will not be keeping as it moves into its next phase of mission and ministry.

**Future Mission and Ministry Locations:** This committee will be helping the congregation investigate and identify possible future worship and mission locations and arrangements. This committee will do the important work of considering various options for WGCC, their financial implications, their suitability for the worship, mission, and community life of the congregation, and making recommendations and suggestions for the Board to pass on for congregational consideration.

Pat Roseman

There was no general meeting in February. The next meeting will be March 7 at 12:30 p.m. in the Chapel. Susan Moore will present a program on paper-making.

The Marthas met the second Thursday, Feb. 9, at 12:30 p.m. in the Heritage Room. There were seven in attendance, gathering to eat their lunches and enjoy good fellowship. Hostesses were Vicki Ott and Anna Yount, who provided decorations and Valentine-themed treats/desserts. The devotional was given by Bev Richmond and the study on Justice by Carol Bachman. There was good discussion about justice and fairness and the acronym BIPOC (Black indigenous people of color). It was also pointed out that when we can't pay for our errors-sins someone else must do so. Christ paid for our sins because there is no way we can pay for all of our wrongs.

During the business meeting, Pat Roseman was invited to step in to assist our group with contacts for our April and May DW Luncheon speakers. The group had decided that we would invite someone from Rock Hill Ministries, Memorial Boulevard CC and/or Head Start in Meacham Park. Pat also brought us up to date on the coat drive and other clothing donations. Thank you to Lisa, our new guest/member for the huge box of donations. Marthas will meet again on Thursday, March 14 at 12:30 p.m..

Tabithas met on Feb. 8 in the Heritage Room with eight in attendance. Sally Smith led the study on justice, Susan Burney gave the devotional, and Janie Joplin provided a delicious dessert. Tabithas will meet again on Thursday, March 14, at 7 p.m. in the Heritage Room.

What a great response from our congregation and friends to the DW-sponsored coat drive! Thanks to all who donated and asked your friends to donate. For more about our coat collection, read the coat article elsewhere in this Witness. As for February and DW's support of Memorial Boulevard's Welfare Fund, we still have a few days in February to give. At this date, Steve reports we have \$260 donated. The MBCC community is very grateful for your giving.

Our service project in March benefits Doorway residents. Please read the Doorway article on the following page for all details for giving. DW members could bring all purchases to your group meeting on Thursday, March 14, leave them in the Heritage room OR bring them to church any Sunday in March. Anna, Janie and Pat will deliver them to Doorways. Thanks for your kindness.

-Diane Mark and Bev Richmond

**WEBSTER GROVES CHRISTIAN CHURCH MISSION STATEMENT:** 

Our mission: Following Jesus' teaching and sacrificially serving the people who are the most marginalized.

# Join Disciple Women's Service for Doorways

Disciple Women invite YOU to join us for our March service project benefiting Doorways residents - the only agency in the region dedicated to providing housing to individuals living with HIV and their family members. Doorways residents living on or near the Jefferson Avenue campus are adults and children- an estimated 150.

At the campus, Doorways offers a "free" store to residents, mostly food. The store is limited in other categories they offer.

Therefore, DW service has chosen to donate needed toiletries and laundry products, categories Doorways doesn't offer.

Residents have named their needs for toiletries and laundry and the list is below. All items must be unopened and in original packaging. During the month of March, items may be brought to church and placed on the tables in the coat room by the restroom off the narthex.

March might not be coming in like a lion as the saying goes BUT WGCC has the opportunity to roar like a lion with our giving for this March service project for Doorways.
