

OPENING PRAYER FOR September 6, 2026 Sunday Worship

Matthew 18:15-20

O God who unites us, your word is a light unto our path. We ask you to bless us this day as we gather to worship you and consider harmony, reconciliation and community. Give us ears to listen and truly hear. Dwell in our hearts so we might understand your teaching. And as we come to the table, let your love flow into us so that we might send your love out into the world as mercy, compassion and kindness. In Jesus' name we pray. Amen.
